---

## **1. Executive Reports**

### **Treasurer – Louise Mol:**

- signatories are now set up and active on the account
- all items in the budget have been paid in full, except the amount remaining for the Teacher Appreciation lunch
- the amount in the budget for fundraising is still not fulfilled however year end fundraising events could still allow for the number to be met

### **Fundraising – Megan Mclean**

- Purdy's Easter fundraiser made a profit of \$438.50 for the PAC
  - this was an easy fundraiser to set up so going forward this will likely be offered as a Christmas and easter fundraiser
- Discussion of Movie nights will be suspended for the rest of the year until we can review any licensing that we require to show movies in a public space, it's under review and movie nights will hopefully return for the 2018/2019 school year
  - by acquiring a licence we may be able to charge admission for the movies and create it as a fundraising night as well as spirit

## **2. Principal's Report**

- Pebble Hill Website is now live
- Communication – weekly emails are being sent to all parents with a snapshot of the events to come for the week ahead

- Clay projects – the instructor is done with the teaching but the instructor was amazing and the teachers have learned a lot about running the kiln and creating with the clay, projects include legacy tiles and “surprise gifts”
- Kindergarten registration is open for the 2018/2019 school year
- Outdoor learning space – not a lot of progress is being made in this area yet, currently we only have \$2000 on the budget for this project, much more fundraiser is required to make this happen, the idea of rocks instead of logs has been put forward to reduce some of the cost and the ease of care
- Math Parent night – looking into booking another Parent Information night
- Mathletics/IXL – the teachers are currently using both systems and a determination will be made as to which system is the best for our school and move forward from there, price and the education system will be part of the consideration for selection
- Principal for the Day – a great success, going forward this will be offered as two days in the auction
- Student learning survey – Grade 4 & 7 – student feedback on learning and experiences in the school
