**Pebble Hill Happenings:**

- Halloween Parade - big success - loved it outside (sunny day was perfect)
- Remembrance Day - 3 classes performed pre (pre-recorded poems) first zoom full class
- Crazy Hair Day - super fun - thanks to all the parents who were doing hair early in the morning!
- Deltassist - gr 7's collecting cash/cheques/gift cards for Save-On-Foods this week to donate in lieu of non-perishable goods as per previous years
- Book Fair - going well in library - until Nov 29 (online and small items in-person)
- Increased protocols lately - friendly reminders each day made on morning announcements as we all work together to keep one another safe, we appreciate seeing more masks on school grounds
- Visit from Assistant Superintendent, Nancy Gordon - impressed with what's going on here - very supportive of our focus on outdoor education
- Constable Seib visits starting next week - the focus of her visits vary: Friendship/kindness (online and in person), Intro to police officers, Digital/Media awareness
- Indigenous Education department - zoom sessions in classes (Nathan Wilson facilitating/ talking to students)
- Mathletics- up and going - Thanks for the funds - large savings this year due to the District purchasing most of the cost of accounts for students gr 4-7.
- "Report Card Season" right now - I love reading the student perspectives on their own learning.
- Outdoor Learning Space - rendering of plans shared (slightly different than this rendering as we will be getting 3 benches, 2 picnic tables, and 2 sets (of 5) waterlilies
- CYCW (Child and Youth Care Worker) - works with many students (friendship groups just left for mat leave - new person coming soon)
