Fraser Health Winter Update and Resources for Families

Recently, Fraser Health shared a brief update on how we can all help to prevent the spread of COVID-19 in schools. We encourage you to take a read: [click here](#) to view it. Also, a reminder that the Fraser Health website offers a wealth of valuable resources for families. [Click here](#) to access them.

Family Day: Family Day is on Monday, February 15. We encourage all families to continue to follow the [public health orders](#). Currently, this means you should limit your Family Day activities to the members of your immediate household. Please do not:

- Invite friends or family to your home
- Host gatherings outdoors
- Gather in your backyard
- Arrange playdates for children
